

GSA - ABA POLICY REGARDING DESIGNATED DONATIONS.

The GSA welcomes donations to support its activities. Occasionally donors request to direct the funds to a specific committee, purpose, or event.

The GSA will accommodate these requests on a best efforts basis. Financial pressures may necessitate temporary or permanent direction of funds to uses other than the donor's direction.

Administration of the policy will include the following.

- Directed donations must be \$100 or greater
- Donations at regular ABA meetings cannot be directed.
- Track directed donations in the monthly treasurer's report until utilized.
- Advise donors of eventual fund use
- We cannot accept donations with conditional refund stipulations.

Note: Policy will apply to donations received after this board meeting June 23, 2019.
