

President's report for August 17, 2020 GSA Board Meeting

Submitted by Amy Gillard

Hello Directors,

I hope that you all had a warm and sunny month.

I am looking forward with interest as to how the ad hoc committee on sexual harassment has fared during our time away. The task of answering the email sent to us with its related issues is an important one.

I also hear that the Self-Support Committee has been hard at work organizing skills sharing workshops in the aim of raising funds. I am eager to hear more about how that is going.

I think that we are in an interesting time with having to rely on Zoom meetings to be together. While I am grateful that we can still be together in this time of COVID, I am sorry that we had to experience the meeting crashers last month and I do apologize that it was due to my letting the requirement of a password lapse. We have, as you know, instituted one now and hope that this protects us from further disturbing incidents. Again, I am sorry.

I would like to for sure get to Joan's question regarding the second edition of the book so that can be wrapped up and taken further forward.

I look forward to your continued contributions to this board.

In service,

Amy G.
