Questions for the board

- Confirming the board is willing to look into the On Demand Printing option. The Literature Committee suggests looking at both options On Demand and Friesens prior to making a decision.

- The Literature Committee needs help! If you have 2 years sobriety and would like to share your experience strength and hope we would love your help! Please contact Lou on yogi-lou@bigpond.net.au

Update on second edition of the book

- The second edition is being edited with Wendy Smith and will need to be proof read prior to being printed
- Prices obtained from Friesens (see attached)
- The cover will be full colour

Pirated copy of the book

The pirated version of the ABA book is still for sale on Amazon and other website.

On Demand Printing

Lou is getting prices for On Demand printing which could be an option so that the book can be printed "world wide" with no additional international freight costs and handling from an ABA admin person

Shared Drive

Lou was given access to the shared ABA drive and is in the process of transferring all documents.

Literature Committee Members

The literature Committee needs your support! We meet once a month for one hour and most of our work is done outside the meeting. We are a friendly team and would love your support. If you have 2 years of sobriety and would like to share your experience strength and hope please contact Lou on yogi-lou@bigpond.net.au
