

AGM Inventory Committee report

Tammie and Judy Interim Co -Chairs

It's been an amazing year. This temporary committee was born out of a necessity to learn more from our fellowship as to how to strengthen unity at all levels. After many, many, many modifications and a trial sample run, the inventory was launched in June of 2020.

Our original plan was to keep the inventory "live" for 3 months, sending a copy to all the meetings listed on the website. Due to circumstances beyond our control, we were not going to rely on face-to-face groups. As the situation progressed worldwide, we extended the inventory date. When it became clear that face-to-face meetings were not resuming any time soon, we sent out an email to our contact list (created back in 2019) asking them to reach out to their group members to fill out the inventory virtually.

Another curve in the road was Michelle's departure. Tammie and I offered to co-chair until a replacement Chair stepped forward to serve. With the restrictions continuing for most of 2020 we chose to leave the survey open until 2021.

Surveys trickled in monthly and we spoke to the board about a closing in late February. Our survey closed in February and we had 108 completed surveys.

Moving forward, Tammie is in the process of compiling the information that we have received from the members. This information will be shared with the Self Support committee jointly to generate ideas garnered from the inventory.

An inventory specific to the board was also suggested. This idea has been "put over" until we have completed the first inventory process and have a clear commitment from our membership.

Yours in Service,

Tammie and Judy
