

President's report for April 19, 2021 GSA Board Meeting

Submitted by Amy Gillard

Hello Directors,

I don't have a lot to report on this month. Thank you for entrusting me to a second term. I look forward to us continuing to look at print-on-demand for our 2nd Edition. I also greatly look forward to us getting the preorders out to those who have already paid for this. Let's discuss this.

I know that the Literature Committee is looking at the Concepts currently and is also looking at the Meditation book. If anyone on this board is willing to help with either of these projects or knows someone who might be interested, please contact Lou.

We also need to decide on how to get rid of the CDs and mini books that are not selling. Is there a committee that might want to use these somehow? They could be door prizes or something. Or we could have a mega-sale? Let me know your ideas.

If anyone has anything for the agenda, please let me know.

See you on the 19th.

In service,

Amy G.
