

# Website Committee Report

April 19, 2021

Chair: Tammie Neumiller

## **Objective**

The objective of the website committee is to review the website, functions, and usefulness of the website to the members of ABA and provide a better experience for the members online.

## **Summary**

We are looking to make it easier to find information, purchase materials online, and list events.

## **Accomplishments**

We are keeping the site currently up-to-date with information for virtual meetings. We are also looking at a way to make searching and listing of the meetings much easier.

We are currently ironing out some items with the cart.

## **Goals**

We will be looking at setting up a more organized system to display all events, committees, and meetings so that they are easy to find on the website for everyone.

We will be streamlining the pages and pathways through the website to make it simple to find important information.

We will also be fine tuning the new cart on the website so make the process of purchasing and donating smoother.

We look forward to providing a clean and organized web space for ABA so the membership can find everything they need.
