

Virtual Retreat Committee Report
For July 19 , 2021 Board Meeting

The virtual retreat committee is working extremely well together. We are having a lot of fun coming up with several wonderful ideas for meeting and workshop topics, coming together to agree on speakers and putting together something enjoyable for everyone.

We have completed the flyer for the workshop and are working on getting it put on the main page of our website with a link to pay directly through Stripe and complete registration all at one time instead of having to do two steps when paying through PayPal.

The cost for this years retreat is \$30.00 for the entire weekend and we will have an extra space for a further donation; subsidies are available if requested.

We will be starting to put the schedule together at our next meeting.

The next Virtual Retreat Committee meeting is scheduled for:
July 18, 2021 at 12:00 pm MDT / 2:00 pm EDT

Respectfully,

Dawn A.
Committee Chair
