

PUBLIC INFORMATION COMMITTEE REPORT

October 2021 | Submitted by Alison E.

At our last meeting on September 23rd, the Public Information Committee was joined by Myra R. to grow our database of treatment centres and other places to send the dedicated copies of our ABA textbook (second edition). Her insight and expertise were immensely helpful in adding more than 10 facilities across the US, and in advising our approach in discerning who to contact directly.

We planned to finalize our letter to these centres, to be sent alongside Joan's letter and the books, but ran out of time. We will focus primarily on this task at our next meeting on Thursday, October 14th at 4pm Pacific / 7pm Eastern.
