

Virtual Retreat Committee Report
For October 17, 2021 Board Meeting

The Virtual Retreat Committee did an amazing job at working together to organize this retreat.

The 3 donated books have been mailed out to the youngest 'sobriety' members.

All speakers, the workshop and panel were recorded and will be on the website shortly for a donation.

The contact list and feedback form have been emailed out to the registrants.

4 feedback forms have been returned to date stating the retreat was fantastic, especially the topic of Unity Around The World, they loved the breakout group and would like to see it again at next years retreat, all the international speakers were great and that they want the Virtual Retreat to continue every year even when the in-person retreat returns.

The wrap-up Virtual Retreat Committee meeting to go over the feedback forms and pick a chair and possible date for 2022's retreat is scheduled for:

November 14, 2021 at 12:00 pm MDT / 2:00 pm EDT

Respectfully,

Dawn A.
Committee Chair
