

President's report for January 16, 2022, GSA Board Meeting

Submitted by Amy Gillard

Hello Directors,

I hope that you have all had a good Christmas season.

There are a few things to follow up on this month.

We are in need of a secretary. The job is made easier by the fact that we can record our meetings and minutes can be fine-tuned after, using that recording. Please think about whether you are able to take on this position or whether you are aware of someone who might be able to. Note that the secretary is also a member of the Executive and can attend Executive meetings.

We need to look at the progress of the following issues:

- Safety guideline for young people
- Amazon selling our book
- Hebrew translation of book

Regarding the Hebrew translation I am hoping that a representative from Israel group can attend our meeting.

We also need to think about who might be best positioned to take over for me as President at the AGM in 2023. Please put some thought into this. I can support that person by being Past President for one year.

As always, I appreciate your contribution to this board. If you have anything to add to the agenda, please let me know.

In service,

Amy G.
