

To the fellowship/membership of Anorexics and Bulimics Anonymous:

The Board of Directors are proposing the following resolution at the AGM on March 20, 2022:

That Bylaw #6 be changed:

FROM:

**“Membership in the Society at any given time shall consist of a minimum of twelve persons and a maximum of twenty.”**

TO:

**Membership in the Society at any given time shall consist of a minimum of seven (7) Directors and a maximum of thirteen (13) Directors.”**

The rationale for this change is that in the past number of years we have been consistently unable to meet the required minimum number of Directors. If we make the minimum lower, we will be more likely to be successful. Also, we chose an odd number so that votes can pass more easily without having to contend with having a tie as often.

The Societies Act of Alberta asks that we have a vote in favor of this resolution of at least 75% of the eligible voters (those ABA members in attendance at the AGM) in order for the resolution to pass.
