Board Meeting

April 10, 2022

Bylaw Update report

The bylaw committee met on March 27th. That was after the AGM on March 20th.

1. Discussion on working on all by-law revisions before presenting them as a whole to the membership/fellowship to be voted on at the 2023 AGM.
2. Discussion on the concerns expressed at the AGM as to whether the Executive Committee are considered Directors, especially when it comes to by-laws # 6 and 7.

This has brought up the question as to whether we should have removed by-law # 3 which reads:

“All members of the Society shall be deemed to be members of the Board of Directors”.

Consideration of putting by-law # 3 back into the by-laws and read as follows:

“All members of the Society shall be deemed to be members of the Board of Directors, and are considered a ‘Director’ for the purposes of these by-laws”.

3. Review of the by-laws continues. We will invite Joan to attend meetings as we see the need to seek her valuable input into the review and revisions.
