

President's report for April 10, 2022, GSA Board Meeting

Submitted by Amy Gillard

Hello Directors,

It was a short month what with us having this meeting a week early.

I felt it was a good AGM. Welcome to Kristina as Secretary, David as Treasurer, Joan, Shelby, and Maria. We are so happy to have you working with us!

This month I would like to prioritize looking at the recommendations of the Safety Committee re younger people attending our fellowship. These recommendations can be found in the Service tab on the Boards and Committees page. The link is there for their report.

I would also like to discuss selling our book on Amazon directly vs selling it on Amazon via extended distribution. Lou's outline on that is on the services page. Please read this as we will have to make a decision. Also if we do decide to go with extended distribution we will need 2/3 quorum to authorize that as it has costs associated with it. Please, for that reason, endeavour to be at this meeting if able.

I so appreciate the time you all give to this board.

In service,

Amy G.
