

President's report for June 19, 2022, GSA Board Meeting

Submitted by Amy Gillard

Hello Directors,

This month I would like to approve, if we can, the 12 Concepts developed by the Literature Committee. These concepts can be found in the Service tab on the Boards and Committees page under the Literature Committee. The link is there for the 12 Concepts.

I would also like to again discuss selling our book on Amazon directly vs selling it on Amazon via extended distribution. We were not able to decide this in May as we did not have 2/3 quorum. Lou's outline on extended distribution vs selling directly on Amazon is on the services page. Please review this.

Finally, we need to revisit the topic of hours for the Operations Manager. We need to decide what to do going forward. It is a tricky balance to give her the time she needs to get everything done while still being fiscally responsible. The Personnel Committee welcomes any wisdom you have on this topic. We met and temporarily put her hours at 20 hours per week for the month of June. We would like to have the board decide what to keep her hours at for now.

Thank you again for assistance in resolving these issues.

In service,

Amy G.
