

# Website Committee Report

June 19, 2022

Chair: Tammie Neumiller

## Objective

The objective of the website committee is to review the website, functions, and usefulness of the website to the members of ABA and provide a better experience for the members online.

## Summary

The website re-design is underway. We had a couple of hiccups to navigate in making sure the meetings listings worked the way we need it to, but the core base is now complete and it's working smoothly. We are working on adding in all of the information. We are more than half way through with entry.

We are working to create pages for some of the PDF content as PDF's are not easily readable on smart devices.
