

ABA RETREAT COMMITTEE
REPORT FOR THE September 17th 2023 BOARD MEETING

By the time you see this the retreat will have taken place. I am writing this report on the Saturday night, September 9th, of the 2023 retreat.

I do not have much to report about the current retreat yet. I can say that I am hearing good things. I do not yet know how many people registered.

We have asked attendees to fill out a survey on how they think the retreat has gone and on any comments they have. We are also inviting attendees to join the Retreat Committee for the 2024 retreat.

The next Retreat Committee Meeting is October 15, 2023 at 2pm EDT. At that time, among other things, the committee will go over the feedback from the retreat, elect a new chair, set the new regular meeting day and time, and consider the offer by the Victoria, BC, Steps to Serenity Group, to host an in person retreat in Nanaimo BC in September 2024, among other things.

Yours truly.

Lisa M
Chair of the Retreat Committee
