

## **PUBLIC INFORMATION COMMITTEE REPORT**

September 2023 | Submitted by Alison E.

The Public Information Committee met on Sunday, September 3<sup>rd</sup> at 12pm EST. Prompted by a recent email inquiry from India, addressed by our Office Manager and discussed in a subsequent email thread with our committee, we talked at length about how to clearly distinguish inquiries that hold opportunities for our committee from the rest of the inquiries fielded by the office manager. We wanted to devote adequate attention and sensitivity to the matter, so we will continue the discussion at our next meeting before deciding how to proceed.

We touched briefly on our book distribution project, to report on a book we designated for a woman in the UK. Apparently the book went astray, so we agreed to have Alice deliver one of the ones she has in-person.

Our other projects — the Virtual Welcome Package, event research, and outreach opportunities — were tabled until next meeting.

We will meet again on Sunday, October 1<sup>st</sup> at 12pm ET.
