

# Personnel Committee Report

September 17, 2023

Chair: Tammie Neumiller

## Objective

The objective of the personnel committee is to oversee the workings of the OM and the ABA office to ensure that efficient timely service is given to all matters of ABA, the Membership, the Board, and newcomers looking for support.

## Overview of Last Month

The new OM has been working very efficiently and has been keeping up with all tasks sent to her. If new things arise, we are training and organizing them.

She has taken over all of the content updates for the website now, with some guidance on anything new.

## 12 Concepts

**\*\*We have received approval from Al-Anon\*\***

September 18th, 2022 the motion was successfully carried to accept and approve the 12 Concepts of Service by the Board of Directors. It was adapted and reworded from Alcoholics Anonymous and Al-Anon Family Groups. We have reached out to find out who to contact in regards to permission to use our adapted version and have been directed to the correct contacts.

Al-Anon replied on July 13th, 2023 stating that they do not object to our adaptation and are good with us using the concepts as we have documented them.

## Discussion Needed

None at this time.
