Hello Directors and Members of ABA,

I hope everyone has had a terrific summer!

It has been a nice break and I look forward to moving into the last quarter of the year with a renewed focus.

### Concepts

It's terrific that over the summer we received the green light from Al-Anon to use the concepts that the concept committee put together based on theirs. This is a wonderful step forward.

### Website Requests

Thank you for your support and assistance regarding the new website.

Please be sure to reach out to the office or website committee with any requests. The website is a super tool, but it's only as good as the information provided. Together we can keep it up-to-date in the best possible way.

More information is in the website committee report.

### Looking Ahead

It's wonderful that we sent out the September newsletter to 360 people. That's a great step forward! Our list has increased, which is terrific!

I hope as we continue with the newsletter, it brings us to a closer connection with our members, so they have the support they need.

As always, all committees can use more people. There is information on the website, and if you require some direction, please reach out to the Operations Manager.

I really appreciate the time everyone gives to this board and the committees. We couldn't do it all without you.

In service,

Tammie
