Questions / Notes for the board

We are celebrating achieving 52 entries for the ABA book!! A great milestone!!

Meditation Book project

- ✓ We have finalised the initial review of all entries and have accepted 52 of them!! So we have enough entries to compile the book! A great milestone!!
- ✓ We are continuing our final review. 20 entries have been finalised.
- ✓ We reviewed the introduction and Preamble for the book

In order to finalise the book, we will also have to:

- Complete the final review of 32 entries
- Compile all entries into a Word document together with introduction and forward
- Find an editor to format the book in a “printable” format
- Final review of the book prior to printing

Podcast

We have started discussing the possibility of adding ABA material into a podcast. Once we have more concrete plans we will put a proposal to the ABA board.

There are many existing 12-steps podcasts but no ABA material currently available.
