GSA Board Meeting

January 21, 2024

Happy New Year Directors and Members of ABA!

I hope you have had a wonderful December and January!

I hope everyone had a wonderful holiday season!

It is so inspiring to see everyone working together to bring the best possible support, events, and resources to our membership. Thank you to everyone who participates!

Looking Ahead

The AGM is fast approaching. We have only one remaining board meeting left.

Please consider who would be good candidates for President and Treasurer. As always, all committees can use more people. There is information on the website, and if you require some direction, please reach out to the Operations Manager.

I really appreciate the time everyone gives to this board and the committees. We couldn't do it all without you.

In service,

Tammie
