Questions for the board: none

→ What has been achieved. We discussed/planned the following:

- to find a new person to maintain the meeting/GSR list and ensure meeting info on the website is accurate (initial volunteer unable to do it)
- to increase the number of GSR's by sending out a reminder email to absent GSR's and running a promo ad in the newsletter)
- to contact Lou to ask if we can print chips using the virtual logo
- to contact the retreat committee to learn what's involved in putting on a retreat (possibly in London).

→ What remains to be done

- send out email to missing GSR's (Louisa)
- contact Jessa to request two ads for newsletter: one calling for a volunteer to manage the meeting/GSR list, and another raising awareness of the importance of having a GSR for every group (Louisa)
- contact Lou about virtual logo (Eirinie)
- contact retreat committee about interest in London retreat (Eirinie)
